**Sunday, May 12** It's Mother's Day...Take care of Mom!!

**Monday & Tuesday, May 13-14. Port of Everett Marina.** We have reserved Guest Dock 5, which has 520' of dock space along the dock with a total of 665' including two boats on the activity barge, which we have also reserved. They allow rafting and stern ties to get in as many boats as we need. Power is 30 and 50 amps and there is a pump out. Moorage is \$1.50 and you register by going to [dockwa.com](http://dockwa.com) and say you are with the Cruising Club of America Rendezvous. If you reserve before March 13, look for the wait list; after March 13 you will go right to reservations. We can do a Green Box on Monday, with a "best things I have done to my boat" gam and a group dinner on Tuesday (restaurant TBD). On Tuesday we can dinghy over to Jetty Island.

**Wednesday, May 15 Coupeville.** Either anchoring or tying off the Pier at Coupeville with wandering through this picturesque village. You can do dinner aboard or consider dinner at a local restaurant, such as the Front Street Grill. Moorage at the pier is first come, first serve.

**Thursday-Saturday, May 16-18 La Conner Marina.** We have reserved 500' of guest dock F in the South Basin (near to town). Power is 30 amp with pump out nearby. Our space will be first signed up get on the guest dock through me at \$1/ft; procrastinators will be able to reserve nearby guest moorage through the Marina at \$1.30/ft. Watch out for the 75' bridges

at either end of Swinomish Channel and for the current in the channel—it can run wicked fast! On Thursday we can do our chowder bowl and rum barrel in the afternoon. Friday we can visit the art museums and gift shops, ending up with a Grand Finale at a nearby restaurant (TBD). The cruise ends and we depart on Saturday morning.

**Note:** As you can see, there are several details to be forthcoming. Some of this will be dependent on interest in the Cruise. I really need to have you send in the attached form so we can move to firming up these plans.

### **FUTURE EVENTS for your planning purposes:**

**Early (ish) September 2024 SEQUIM BAY & VICTORIA.** After Labor Day, we meet up at John Wayne Marina in Sequim Bay. Good marina, good anchoring, good restaurant... Then we cross over to Victoria and atek in the charms of that lovely city. We end up at Royal Victoria yacht Club by cruising through the Southern Gulf Islands. What can go wrong? Dates and details to come in time and your suggestions and ideas are greatly appreciated.

**Spring Cruise, May, 2025, Vancouver & Howe Sound.** Once again, dates and details to come in time, and your suggestions and ideas are greatly appreciated.
